

July 2012

Fleet Marston

Two-way cycling and walking access needed alongside proposed new section of the A41 into Waddesdon.

Footbridge needed to provide link for Footpath WAD/6.

Proposed new brideway within HS2 footprint could provide a walking and cycling link between Aylesbury and Waddesdon.

Bridle bridge needed to provide link along important brideway FMA/1 linking Quarrendon with Eythrope and Stone.
