

July 2012

The Lee

Link required under viaduct to retain footpath WEN/39.

Link required under viaduct to accommodate Footpath WEN/36 which forms the Chiltern Way promoted route.

Link required under viaduct so the unclassified road connects with Footpath TLE/5.

Pedestrian footway to be provided alongside the road bridge to ensure continuity of Footpaths WEN/37 and TLE/3.

Footbridge required over cutting to connect London Road with Kings Lane along Footpath TLE/2 and WEN/38.
